

I EAT POOP,

BUT MY HABIT DOESN'T HURT OTHERS.

 Animals that live in homes with a daily smoker have up to a **60% GREATER CHANCE** of getting cancer.

 The best way to **PROTECT YOUR PETS** from **SECONDHAND SMOKE** is to quit!

 Call the **KANSAS TOBACCO QUITLINE** for free help and support
1-800-QUIT-NOW

 Ask those who smoke to respect your health and your pet's health by not smoking around you.

**IT'S TIME
TO CLEAR THE AIR!**

For more information call the **Sedgwick County Health Department** at 660-7350, or visit www.sedgwickcounty.org.
